

A YEAR TO REMEMBER

Annual Report 2020

A Year to Remember

The year 2020 will always be remembered for the COVID-19 Coronavirus and the way that it disrupted our lives. Many families encountered significant challenges such as economic hardship, illness, and loss of life.

Despite many adversities, there were still many wonderful things that happened. Couples got married, children were born, and students graduated from school. There were many things to celebrate. And last year we were able to celebrate the creation of the Classical Conversations Foundation!

Classical Conversations started the Classical Conversations Foundation with a generous gift. The purpose of the Foundation is to support more opportunities to influence the world for Christ.

Foundation Activities

We currently have three programs in development. They include Homeschool Families on Missions, special church projects, and special events for homeschool families.

Our goal is to help more homeschool families participate in short-term mission trips, help strengthen the local church, and provide opportunities for encouragement and development for Christian homeschool families. We believe that Christian homeschool families are a witness to Christ in their communities.

Last year we were able to help two churches with some needs that they had related to building repairs. One of the churches had suffered significant damage from a serious wind and rain storm.

Small Beginnings

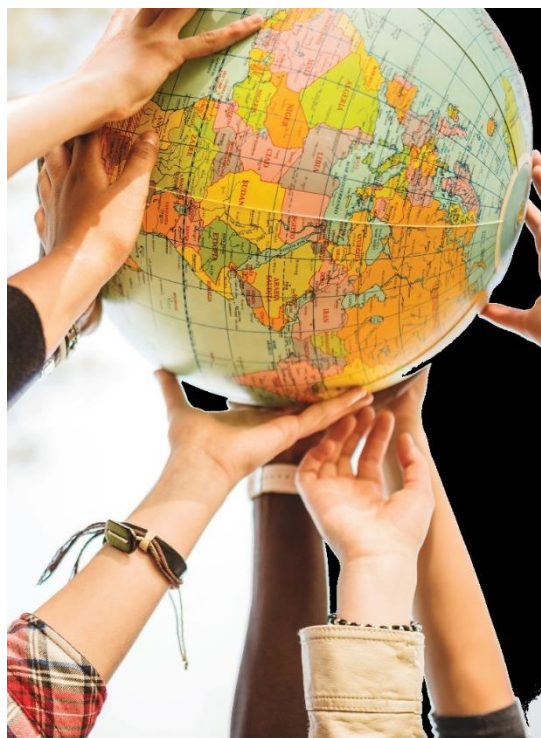

Although we started small, we have a great desire to reach thousands of people with the gospel of Jesus Christ. Donations of any amount will help us fund our Christian ministry activities.

Thank you for your prayers!
